

Nair®

HAIR REMOVAL CREAM BIKINI KIT

- Removal Cream with Camellia & Protective Ylang Ylang - 50 mL
- Moisturizing Finishing Cream with Sweet Almond Oil - 30 mL
- Convenient Spatula for easy removal

PROFESSIONAL SALON TESTED

3 SIMPLE STEPS TO A BEAUTIFUL BIKINI LINE:

1. Nair Bikini Cream Hair Remover smoothes away hair.
2. Nair Spatula gently removes Nair Bikini Cream.
3. Nair Moisturizing Finishing Cream helps restore the natural pH balance of your skin after hair removal.

IMPORTANT: FOLLOW THE DIRECTIONS EXACTLY.

DIRECTIONS: *When using Nair for the first time, or before depilating a new area, a test should be carried out on a small part of the area to be treated. If the skin is normal after 24 hours, proceed with the full application.*

1. Smooth on Nair hair removing cream with fingertips. Completely cover the area of unwanted hair with a thick, even layer. Do not rub in.
2. After 5 minutes, test a small area. If hair does not wipe off easily, leave a few minutes longer. Do not leave for more than 15 minutes.
3. Rinse off with lukewarm water, using the spatula or washcloth if necessary, and pat dry with a soft towel. Do not rub or use soap.
4. Apply Nair Moisturizing Finishing Cream.

WARNING: IRRITATION OR ALLERGIC REACTION MAY OCCUR WITH SOME PEOPLE EVEN AFTER PRIOR USE WITHOUT ADVERSE EFFECT. THEREFORE, TEST BEFORE EACH USE BY APPLYING NAIR ON A SMALL PART OF THE AREA WHERE HAIR IS TO BE REMOVED. FOLLOW DIRECTIONS AND WAIT 24 HOURS. IF SKIN APPEARS NORMAL, PROCEED WITH FULL APPLICATION. DO NOT USE ON IRRITATED, INFLAMED OR BROKEN SKIN. KEEP AWAY FROM EYES. SHOULD NAIR TOUCH THE EYES, WASH THOROUGHLY WITH LUKEWARM WATER. IF IRRITATION OCCURS, CONSULT YOUR PHYSICIAN. NAIR CAN BE USED ON FACE AND BIKINI AREAS. DO NOT USE AROUND EYES, IN NOSE, IN EARS, OR ON BREAST NIPPLES, PERIANAL, OR VAGINAL/GENITAL AREAS.

**KEEP OUT OF REACH OF CHILDREN.
STORE AT ROOM TEMPERATURE.**
